TREASURE PROJECT

e-acTivism skills building for gReen issuEs
and sociAl incluSion in incluSive EuRopEan community

IN THIS ISSUE

- ABOUT THE PROJECT
- TRANSNATIONAL MEETING
- QUALITY MANAGEMENT TEAM
- THE PARTNERSHIP

TREASURE project focuses on empowering young learners in local communities by equipping them with enhanced digital skills and knowledge. With the objective of adapting education and training systems to the digital age, we are developing a comprehensive digital education ecosystem that fosters the development of e-activism skills among youth.

ABOUT THE PROJECT

TRANSNATIONAL MEETING

➤➤➤ The transnational project meeting took place on September 11, 2023, at the headquarters of **Bilim ve İnsan Vakfı** in Istanbul, Turkey. During the meeting, the participants discussed the details of a comprehensive digital education ecosystem being developed to address environmental issues and cultivate e-activism skills among young individuals within the project's framework. Additionally, partners brainstormed on how to use tools that facilitate digital participation, community media engagement on environmental issues and e-activism practices related to social inclusion.

QUALITY MANAGEMENT TEAM

➤➤➤ Members of the TREASURE Project will appoint one expert from their staff for the quality management team of the consortium. These experts will ensure the partners' unity with the project's quality procedures both within and outside of their organizations.

From April 2023 until March 2025, five partners from Spain, Bulgaria, Austria, Turkey and Slovenia are working together to make TREASURE project happen.
